

## **Custody Arrangements**

If you have an ongoing custody dispute or have taken legal action that would mean a legal parent or guardian is not authorised to pick up the young person from a session, please write to the safeguarding team at [safeguarding@bloombergfootball.com](mailto:safeguarding@bloombergfootball.com) and provide a legal document or any other proof which outlines the custody arrangements.

We want to ensure that all relevant coaches are informed of any custody arrangements and that all young people in our care remain safe at our sessions.

The safeguarding inbox is always available for a concerned parent or carer to contact, and our safeguarding team will take all concerns seriously.

We thank you very much for your cooperation.
